DATE: 3.22.2020

Effective Monday, March 23, 2020, by order of the Mayor, all City buildings will be closed to the public. This includes City Hall, Police Department, Public Works and Fire Department. The City will be still be open for business, but **ONLY** via phone or email for non-emergency matters. **All emergency calls should continue to be made by calling 911.**

We are taking the necessary precautions to protect our staff during this time of uncertainty and at the same time ensure important City operations will continue for our citizens. The City is anticipating the current restrictions on social distancing will continue into the month of April and is currently evaluating the potential cancellation of April city meetings and functions in the ongoing efforts by the Governor of Texas and the President of the United States to reduce the spread of COVID-19.

Please remember that at this time our local businesses are still open for take-out and drive through service. We encourage everyone to limit their exposure to groups and their travel to essential services only. Check your neighbors and those you know most vulnerable to COVID-19.
